1. Impression of a bridge

2. an island with a small structure that stands alone - just big enough for one or two people

AOL

like vehicle  
registration point  
at the del gas station

AOL

also reminds me of  
198 entrance to Post

AOL  
like swimming  
pod #2 not far from  
post gas station

The descriptions from this session could easily fit both the Post gas station and the entrance to Post at 198.

- a. there is a bridge nearby
- b. there is a body of water in both locations
- c. there is a man-made island at each location with a little building on it

Getting a much stronger impression of the area around the Post gas station
